Entalet Mara Camp

Born from a beautiful encounter between Alexia, a French photographer, and Geff, a Maasai guide, Entalet Mara Camp is the sincere expression of a friendship and a shared dream.

It was in 2021, in the heart of the wild plains of the Mara, that their paths crossed. From this human connection comes the desire to create a place in their image: authentic, welcoming and deeply rooted in nature.

Located in front of the Maasai Mara reserve, Entalet is a small family camp, designed to offer each visitor a break of calm and comfort between two safaris. With only a few tents, the atmosphere is intimate, warm, and every detail carefully thought out.

Here you don't just come to sleep:
You come to reconnect with the essential, under an infinite sky, to the rhythm of the campfire and the sounds of the savannah.
